

§ 1150.24

49 CFR Ch. X (10–1–14 Edition)

§ 1150.24 Termination of service.

The duration of the service may be determined in the contract between the State and the operator. An operator may not terminate service over a line unless it first provides 60 days' notice of its intent to terminate the service. The notice of intent must be:

(a) Filed with the State and the Board, and

(b) Mailed to all persons that have used the line within the 6 months preceding the date of the notice.

Subpart D—Exempt Transactions Under 49 U.S.C. 10901

SOURCE: 51 FR 2504, Jan. 17, 1986, unless otherwise noted.

§ 1150.31 Scope of exemption.

(a) Except as indicated below, this exemption applies to all acquisitions and operations under section 10901 (*See* 1150.1, *supra*). This exemption also includes:

(1) Acquisition by a noncarrier of rail property that would be operated by a third party;

(2) Operation by a new carrier of rail property acquired by a third party;

(3) A change in operators on the line; and

(4) Acquisition of incidental trackage rights. Incidental trackage rights include the grant of trackage rights by the seller, or the assignment of trackage rights to operate over the line of a third party that occur at the time of the exempt acquisition or operation. This exemption does not apply when a class I railroad abandons a line and another class I railroad then acquires the line in a proposal that would result in a major market extension as defined at § 1180.3(c).

(b) Other exemptions that may be relevant to a proposal under this subpart are the exemption for control at § 1180.2(d)(1) and (2), and the from securities regulation at 49 CFR part 1175.

§ 1150.32 Procedures and relevant dates—transactions that involve creation of Class III carriers.

(a) To qualify for this exemption, applicant must file a verified notice providing details about the transaction,

and a brief caption summary, conforming to the format in § 1150.34, for publication in the FEDERAL REGISTER.

(b) The exemption will be effective 30 days after the notice is filed. The Board, through the Director of the Office of Proceedings, will publish a notice in the FEDERAL REGISTER within 16 days of the filing. A change in operators would follow the provisions at § 1150.34, and notice must be given to shippers.

(c) If the notice contains false or misleading information, the exemption is void *ab initio*. A petition to revoke under 49 U.S.C. 10502(d) does not automatically stay the exemption. Stay petitions must be filed at least 7 days before the exemption becomes effective.

(d) Applicant must preserve intact all sites and structures more than 50 years old until compliance with the requirements of Section 106 of the National Historic Preservation Act, 16 U.S.C. 470 is achieved.

(e) If the projected annual revenue of the carrier to be created by a transaction under this exemption exceeds \$5 million, applicant must, at least 60 days before the exemption becomes effective, post a notice of intent to undertake the proposed transaction at the workplace of the employees on the affected line(s) and serve a copy of the notice on the national offices of the labor unions with employees on the affected line(s), setting forth the types and numbers of jobs expected to be available, the terms of employment and principles of employee selection, and the lines that are to be transferred, and certify to the Board that it has done so.
